Refers to: RETRACTED “Derivatization and biological activity studies of 3-chloro-3-chlorosulfenyl spiro tetrahydropyran/tetrahydrothiopyran-4,2'-chroman-4'-one” Indian Journal of Chemistry, Volume 60B , Issue 11, November 2021, page 1502-1510

This article has been retracted at the request of the Authors.

Reason: The article bears substantial resemblance with the paper that has already appeared in **Chemistry Research Journal, Vol. 5, Number 4, pp. 201-210 (2020)** by Mohamed I Hegab, Hala E. M. Tolan, Eman M H. Morsy, Abdelsalam I. S., Alaa M. Saleh, Farouk A. Gad and, Farouk M. E. Abdel-Megeid.

This has been pointed out by the authors and the Editor is thankful for the same. Thereafter, it has been conveyed to the authors by the Editor that submitting the same manuscript simultaneously to two different publishers is unethical and a serious breach of trust. We apologize to the readers of the Journal and deeply regret any inconvenience caused due to this lapse.
