INDIAN JOURNAL OF GEO MARINE SCIENCES

Volume 54 Number 8

AUGUST 2025

CONTENTS

Research Articles

- Evaluation of antidiabetic, hypolipidemic and antioxidant activity of seaweed *Halimeda macroloba* in Wistar albino rats 365
K Rangaraj, V Ananth, K Manimekalai, K J Salwe, S Venkatraman,
S Samy, P Dhamodharan & S Vinayagam
- Neural network models for the prediction of Indian mackerel catch using environmental variables in Visakhapatnam fishing harbour 375
S Swapna, N Madhavan, K Dhanapal, P Anandh, O Sudhakar, P Thanabalan,
K Vasanth, J V Sai & M Prabath
- A regional TSS retrieval model incorporating diffuse attenuation coefficient for a macro-tidal environment using satellite images: Gulf of Khambhat, India 385
S P Sakthivel, S Sundararajan, S K Dash & B K Jena
- Geochemical and petrographic characterisation of serpentinitised peridotite from the Indian Ocean: Insights into mantle processes and tectonic evolution 398
M Pilgaonkar, P D Sawant & R Mukhopadhyay

Short Communications

- New distributional record of Bristle worm *Hesione eugeniae* Kinberg, 1866 (Phyllodocida: Hesionidae) from the Bay of Bengal, India 414
S Balakrishnan, J Pradhan & P C Tudu
- INSTRUCTIONS TO AUTHORS 419
