## INDIAN JOURNAL OF GEO MARINE SCIENCES

Volume 54 Number 10

OCTOBER 2025

### CONTENTS

#### **Review Articles**

- Blue carbon sequestration in seagrass ecosystems: A global synthesis with an emphasis on India's situation, difficulties and possibilities 493  
K Ranges, R S Pandiya Rajan, M Dineshbabu, M Anand & U S Panda

#### **Research Articles**

- An application of VNREDSat-1/NAOMI for Chlorophyll-*a* estimation 509  
L Q Toan, C X Huy, N M Ngoc, L M Son, H Hai, B Q Huy, N P Hai & T T H Ai
- Geochemical characterisation of Palk Bay seabed sediments: An appraisal on source-sink dynamics and provenance 522  
K Anjaneyulu, G Nagendran, K Priya & S Varghese
- Textural characteristics of sediments and the distribution of heavy minerals in the coastal region between Sipasurabil and Bramhagiri, east coast of Odisha, India 535  
R B Rao, B Mishra, S Rourtray, R Swain, S S Srikant & D Singh

#### **Short Communications**

- A scientific study on mass mortality of Indian mackerel (*Rastrelliger kanagurta* (Cuvier, 1816)) along the lower stretches of river Godavari 553  
C Sathish, K Chalapathi, S Kotta, Harisha, S Jha, D M Lal, S K Baliarsingh, A Samanta, S Joseph & T M Balakrishnan Nair
